

This form and the information requested in it, is required to be provided by the master of a vessel under section 27A of the Quarantine Act 1908 and subregulation 10(1) of the Quarantine Regulations 2000.

# Quarantine Act 1908 Section 28; Quarantine Regulations 2000, Subregulation 18

This form is applicable to vessels with an over all length (LOA) of 25 metres or more. An Approval to Berth and a subsequent Pratique (pending vessel inspection) may follow from this Quarantine Pre Arrival Report.

The vessel master is responsible for the information given in this report. The information in this report must be given to a quarantine officer between 96 and 12 hours before the estimated time of arrival of the vessel. If the vessel master becomes aware that the information given in this report is incomplete or incorrect, the vessel master must give additional or correct information to a quarantine officer immediately. Giving false or misleading information is a criminal offence.

If the Vessel Type is Cruise or Naval please enter the number of Crew and/or Passengers

Crew on Board  Passengers on Board

**Intended Australian Itinerary After First Port**

Please include each port and the date of arrival

**Quarantine Pre Arrival Questions** This section profiles major risks of exotic pests and diseases entering Australia.

1) Have any persons died onboard during the current voyage?  Yes  No

If Yes, 1a) How many persons died?

1b) Cause or suspected cause of death:  Accident  Illness  Other

1c) Which (if any) of the following symptoms did deceased persons display?

**Do not report symptoms that are due to an existing physical condition, injury, inebriation or sea travel**

- Fever  Severe Vomiting  Profuse diarrhoea  
 Glandular swelling  Loss of consciousness  Cough or difficulty in breathing  
 Non itchy rash  Bleeding (from any orifice or skin)  Inability to move

2) Have any persons on board become ill or shown signs of illness in the past 14 days?  Yes  No

If Yes, 2a) How many persons ill?

2b) Which (if any) of the following symptoms have ill persons displayed?

**Do not report symptoms that are due to an existing physical condition, injury, inebriation or sea travel**

- Fever  Severe Vomiting  Profuse diarrhoea  
 Glandular swelling  Loss of consciousness  Cough or difficulty in breathing  
 Non itchy rash  Bleeding (from any orifice or skin)  Inability to move

3) Are there any animals (including birds and/ or fish) on board the vessel?  Yes  No

If Yes, 3a) State how many and give a description of the type of animal/s and their health and condition:

3b) Did any animals die during the current voyage?  Yes  No

If Yes, 3c) How many animals died?

3d) Describe how the dead animals were disposed:

4) Were any insects, including bees, discovered onboard during the current voyage?  Yes  No

If Yes, 4a) Describe the insects and their location when discovered on the vessel:

5) In the past 24 months was the vessel in any Russian Far East Port/s between 40° N, 60°N, and west of 147°E during any period between 1 July and 30 September?  Yes  No

If Yes, 5a) Since the last visit to any Russian port was the vessel inspected and cleared by an agricultural authority in Australia, Russia, Canada, New Zealand or the USA as free of Asian Gypsy Moth?  Yes  No

Please forward a copy of the relevant certificate to Agriculture (notify time and date of departure from any certifying Russian port)

6) Has the vessel carried any livestock, seeds (including grain) or meal (being meal that contains plant or animal, including fish or bird, material) in the last 10 cargoes?  Yes  No

If Yes, 6a) For each cargo list the contents of the cargo, the loading port/s, the discharge port/s and the cleaning since the cargo was discharged

7) Has the waste on board the vessel been securely contained in a container or sealed room so that no waste is accessible to any animals and there is no leakage?  Yes  No

7a)# Do you intend to discharge waste in port? (Cruise and Naval vessels only)  Yes  No

If Yes, 7b)# List the port/s, the date/s of discharge and the estimated volume in m<sup>3</sup>

8) Will crew change or passengers disembark while the vessel is at any berth or anchorage point of any Australian port of call?  Yes  No

If Yes, 8a) Specify the port/s and number of persons and the day that they are expected to sign off/disembark

9) Do you intend to discharge ballast in Australian waters?  Yes  No

10) Have you maintained accurate records of ballast exchanges?  Yes  No

Note: Australia has set ballast water management requirements which can be found at <http://www.daff.gov.au/biosecurity/avm/vessels>. Masters should undertake ballasting operations in accordance with these requirements.

11) Do you intend to visit New Zealand after your Australian voyage?  Yes  No

12)# Are there any live plants onboard? (Cruise vessels only)  Yes  No

If Yes, 12a)# What is the location, health and condition of the live plants?

Please forward the completed form to the Maritime National Coordination Centre at [maritimencc@daff.gov.au](mailto:maritimencc@daff.gov.au) or fax: 1300 005 882 (+61 8 8201 6176 outside Australia).

## Privacy Notice

*Personal information means any information or opinion about an identified, or reasonably identifiable, individual.*

The collection of personal information by the Department of Agriculture (the department) in relation to the arrival of vessels in Australia is authorised under the *Quarantine Act 1908* for assessing the biosecurity risks of vessels for issuing pratique and related purposes. If the relevant personal information requested in this application is not provided by you, the department will be unable to assess your eligibility for pratique.

Personal information may be disclosed to relevant State and Australian Government agencies responsible for administering biosecurity, Customs and Border Protection and human health laws, provided the disclosure is consistent with relevant laws, in particular the Privacy Act 1988. Your personal information will be used and stored in accordance with the Privacy Principles.

The department's Privacy Policy, including information about access to and correction of your personal information, can be found at: <http://www.daff.gov.au/about/accessing-information/foi/ips/operational-information/privacy-policy>.
